## Change is coming to WPMLS!

**Did you know?**

- ❖ WPMLS plans to upgrade to state of the art lockboxes in mid-year, at no cost to you
- ❖ We're looking into hiring a showing appointment service so that there's just one phone number for you to call for appointments
- ❖ Your listings are about to be posted on more than 20 high-traffic public web sites, and you can get reports on who's visiting those sites
- ❖ You can now purchase high-quality database statistics from a vendor engaged by WPMLS
- ❖ We've added a brand new customer/client portal to Rapattoni MLS, at no cost to you
- ❖ We're about to have reciprocity with the Connecticut MLS
- ❖ We're operating in four counties - and so we're looking for a name change by year end  
... not to mention new rules, forms, and policies to smooth your practice

**Join us on February 25 for a complete rundown on how your MLS is improving itself for you.**
